

House rules

Short list, honor system:

1. **Don't share your login.** Accounts are per-person. If someone else in your house wants in, ask — additional accounts are easy to make.
2. **Be patient with requests.** New requests usually arrive on their own within minutes to hours. Requesting the same thing repeatedly doesn't speed it up.
3. **Say something when it's broken.** If a movie won't play or looks wrong, tell Hayden ([CONTACT]) — it's usually a quick fix, and he'd rather know than have you silently give up.
4. **Expect the occasional outage.** If nothing loads at all, the house internet or the server is probably having a moment. Check back in a bit; if it's been down for many hours, feel free to ping Hayden.
5. **Keep it in the friend group.** Please don't post the website addresses publicly or hand them around beyond people Hayden knows.
